The following have been modified:

INSTRUCTIONS TO OFFERORS

## SECTION 00 21 00 INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

## 1. Description of the Project:

Construct a Corrosion Control Facility utilizing conventional design and construction methods to accommodate the mission of the facility. Facilities will be designed as permanent construction in accordance with the DoD Unified Facilities Criteria (UFC) 1-200-01, General Building Requirements and UFC 1-200-02, High Performance and Sustainable Building Requirements. The facility should be compatible with applicable DoD, Air Force, and base design standards. In addition, local materials and construction techniques shall be used where cost effective. This project will comply with DoD antiterrorism/force protection requirements per unified facilities criteria. As described in this solicitation, this project is to be completed based on a previously completed 100% design. The Brand Name requirements in support of this project are: 1. Fire alarm control

panel: Monaco MAAP-X, 2. Heating, Ventilation, and Air Conditioning (HVAC) Chiller System: Trane North America, 3. WebCTRL Climate Control System.

## 2. Instructions to Bidders:

2.1. You are invited to submit a bid in response to our Invitation for Bids (IFB) entitled: W50S78-24-B-0002 entitled Corrosion Control Facility, Project Number KELL169014, at the Texas Air National Guard, Joint Base San Antonio (JBSA) Lackland Air Force Base (AFB), 149th Fighter Wing.

2.2. As a result of this solicitation, the Government intends to award a Firm Fixed Price (FFP) contract resulting from this solicitation to the responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the Government, considering only price.

2.3. This solicitation is set-aside 100% for small businesses and only qualified bidders may submit bids. Per the North American Industry Classification System NAICS 236220, the small business size standard is \$45 million average annual revenue for the previous 5 years. The PSC Code is Y1CZ.

## 3. Notice of Pre-Bid Conference and Site Visit:

3.1. A Site Visit and Pre-Bid conference will be conducted on **20 August 2024 at 9:00 AM (CST)** for the purposes of briefing on the bid requirements and answering questions regarding this solicitation. This conference will be held at the 149 Civil Engineering Squadron, building 970, located at 1413 Billy Mitchell Blvd, Lackland AFB, Texas, 78236. Interested Contractors are highly encouraged to attend the pre-bid conference. The site visit will be held following the conference.

3.2. Due to security conditions, all offerors must register to attend this conference and site visit. Contractors are to be sponsored by 149th FW members. Required Guest Information to be submitted to all three Government personnel, includes: Last/First name, DOB, Country of Birth, ID Type, ID Number, Country of Issue, and State of issue.

Email the above information for all attendees to all Government personnel below:

SUBJECT: SITE VISIT – W50S7824B0002 Construct Corrosion Control Facility.

3.3. This information must be provided 5 business days prior to the meeting, in order to ensure access to the military base and conference site and ensure adequate seating for the conference attendees. Even if you have access to the base you must register to ensure adequate seating. The furnishing of the above information is voluntary; however, your failure to furnish all or part of the requested information may result in the Government's denial of your access to the pre-proposal conference. This information will be provided to the Base Security Forces who will authorize your entrance to the site.

3.4. Visitors must pick up their passes at the Installation's Main Visitor's Center located at the Luke Gate next to Wilford Hall Hospital, prior to arrival. Please arrive 1 – 2 hours early to allow sufficient time for processing. You will be required to present the following information upon arrival: (1) Vehicle Registration, (2) Valid Drivers License, (3) Proof of Insurance for Vehicle, (4) Safety Inspection and Car Rental agreement if applicable. Any of the above information furnished by you is protected under the Privacy Act and shall not be released unless permitted by law and/or you have consented to such.

3.5. Information provided at this conference or site visit shall not qualify the terms and conditions of the solicitation and specifications. Terms of the solicitation and specifications remain unchanged unless the solicitation is amended in writing. If an amendment is issued, normal procedures relating to the acknowledgment and receipt of solicitation amendments shall apply.

3.6. A record of the conference will be furnished to all prospective bidders via posting at [www.SAM.gov](http://www.SAM.gov). The record will include minutes of the meeting, including questions (on a non-attribution basis) and answers.

#### 4. FORMAL COMMUNICATION, OFFEROR EXPLANATIONS:

4.1. Submit all questions via email (in writing) to the contracting office at the address shown below. DO NOT contact engineers or A-E firm, as this will only delay receipt of answers. Questions must be received 5 calendar days prior to bid opening. Answers will be provided with questions, on a non-attribution basis to all eligible, interested parties.

4.2. Submit all questions in the format shown below by email to the contracting office at the addresses show below. Do NOT contact AE or Engineering personnel directly. Doing so will only delay your answer. All questions must come through the Contracting Office.

#### PRE-BID INQUIRY FORMAT

Date of Bid Inquiry: \_\_\_\_\_

From: \_\_\_\_\_ Company Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Email address: \_\_\_\_\_

Bid Inquiry: (Please clearly state your question) (If sent via an attachment word docs are preferred to facilitate posting of answers to the master Q&A document.)

Any explanation desired by an offeror regarding the meaning or interpretation of the solicitation, or proposals, drawings, specifications, etc. must be requested in writing and with sufficient time allowed for a reply to reach bidders before the submission of their bid. Any changes to the drawings, specifications, etc. will be issued in the form of an amendment. However, any answers that clarify or provide an interpretation to the drawings, specifications, etc. will NOT be posted via amendment but rather as a response to the RFI on SAM.gov at <https://www.SAM.gov>. Receipt by the offeror must be acknowledged in the space provided on the SF 1442 or by returning a signed copy of the amendment by the time set for receipt of bids. For security reasons, all technical and engineering data related to this solicitation will be distributed using the Contract Opportunities (SAM.gov) system. Plans and specifications are locked on SAM.gov and require Contractors to request explicit access from the Contracting Officer OR export controlled access through DLA. See complete instructions on SAM.gov. SAM.gov is a web-based dissemination tool designed to safeguard acquisition-related information for all Federal agencies. Interested bidders/offerors must register with SAM.gov before accessing the system. Amendments, if/when issued will be posted to <https://www.SAM.gov> for electronic downloading. This will normally be the only method of distributing amendments prior to closing; therefore, it is the offerors responsibility to check the website periodically for any amendments to the solicitation. Websites are occasionally inaccessible due to various reasons.

DO NOT submit attachments in .ZIP files. Any bid package, or portion thereof, submitted as a .ZIP file will be REJECTED.

Do not password protect disks or disk files.

To avoid rejection of an offer, vendors must make every effort to ensure their formatted disk submission is virus free. Submissions, or portions thereof, which the automatic system detects the presence of a virus, or which are otherwise unreadable, will be treated as "unreadable" pursuant to FAR 14.406, Receipt of an Unreadable Electronic Bid, and be handled accordingly for the supplied formatted disk(s). Offerors are required to ensure adequate time for Government receipt of the bid submission by the bid closing time.

PUBLIC BID OPENING See Block 13 of the SF1442

LOCATION: 149th Fighter Wing Contracting Office at **107 Chappie James Way, Bldg. 962, San Antonio, TX, 78236. This address is on Lackland AFB.**

PLEASE NOTE: Synopsis days and times are only tentative, and should not be considered as actual. All dates are subject to change, and changes shall be posted to SAM via solicitation amendment(s). All bids are to be deposited in the bid repository box no later than the date listed in the Standard Form 1442 Block 13A.

LATE BIDS. Late receipt of bids due to entry delays may not be deemed excusable and the Contracting Officer may declare the bid "late" in accordance with FAR 14.304 and in accordance with clause 52.214-7. Please refer to these Clauses and Provisions for information on what the government will determine as a late bid.

6. WAGE DETERMINATION: The Construction Wage Rates Requirements formerly known as Davis Bacon Wage Rates applicable to this project are TX 20240231 dated 07/05/2024 modification 4, for Bexar County, Texas. Applicable wage rates can be found at <https://sam.gov/content/home> "Wage Determinations".

7. BID PREPARATION EXPENSES AND PRE-CONTRACT COSTS: This IFB does not commit the Government to pay costs incurred in preparation and submission of bids or for other costs incurred prior to award of a formal contract.

8. CLAUSES: Clauses and provisions from the Federal Acquisition Regulation (FAR) and supplements thereto are incorporated in this document by reference and in full text. Those incorporated by reference have the same force and effect as if they were given in full text. Removal of sections at time of award: Sections 00 10 00 and 00 45 00 will be removed as a result of an award but will be deemed to be incorporated by reference in that award.

9. DISPOSITION OF UNSUCCESSFUL BIDS: In compliance with FAR Subpart 4.8, the Government will retain one copy of all unsuccessful bids including the bid bond.

10. OFFERORS QUALIFICATIONS: To establish its responsibility, the apparent low bidder will have a thorough past performance evaluation completed using Contractor Performance Assessment Reporting System, and Federal Awardee Performance and Integrity Information System. Additionally the contractor may be requested by the Government prior to award, to submit a statement regarding previous experience in performing comparable work, the business and technical organization, financial and bonding resources, and plant available to be used in performing the work. This action may be taken to determine if the contractor is responsible.

11. BRAND NAME SPECIFICATIONS: In accordance with FAR 6.302-1(c), Brand Name Justification have been completed and attached to this solicitation, detailing the specific brand(s) that must be used for certain components to complete this project. The Brand Name requirements in support of this project are:

- a. Fire alarm control panel: Monaco MAAP-X
- b. Heating, Ventilation, and Air Conditioning (HVAC) Chiller System: Trane North America
- c. Direct Digital Control System: WebCTRL Building Automation System

12. Service of Protest - NG Agency Protest Program is intended to encourage interested parties to seek resolution of their concerns with the National Guard (NG) as an Alternative Dispute Resolution forum, rather than filing a protest with the Government Accountability Office (GAO) or other external forum. Contract award or performance is suspended during the protest to the same extent, and within the same time periods as if filed at the GAO. The NG protest decision goal is to resolve protests within 35 calendar days from filing. An agency protest may be filed with either the Contracting Officer or the NG Agency's Protest Decision Authority, but not both, in accordance with NG protest procedures. To be timely, the protests must be filed with the periods specified in FAR 33.103. To file a protest under the NG Agency Protest Program, the protest must request resolution under that program and be sent to the address below:

National Guard Bureau  
Office of the Director of Acquisitions/ Head of Contracting Activity  
ATTN: NGB-AQ-O  
111 S. George Mason Dr.  
Arlington, VA 22204

All other agency-level protests should be sent to the Contracting Officer for resolution at the address in the solicitation. See FAR clause 52.233-2.

#### SECTION 00 70 00 - CONDITIONS OF THE CONTRACT

The following have been modified:

252.236-7001 CONTRACT DRAWINGS AND SPECIFICATIONS (AUG 2000)

(a) The Government will provide to the Contractor, without charge, one set of contract drawings and specifications, except publications incorporated into the technical provisions by reference, in electronic or paper media as chosen by the Contracting Officer.

(b) The Contractor shall--

- (1) Check all drawings furnished immediately upon receipt;
- (2) Compare all drawings and verify the figures before laying out the work;
- (3) Promptly notify the Contracting Officer of any discrepancies;
- (4) Be responsible for any errors that might have been avoided by complying with this paragraph (b); and
- (5) Reproduce and print contract drawings and specifications as needed.

(c) In general--

(1) Large-scale drawings shall govern small-scale drawings; and

(2) The Contractor shall follow figures marked on drawings in preference to scale measurements.

(d) Omissions from the drawings or specifications or the misdescription of details of work that are manifestly necessary to carry out the intent of the drawings and specifications, or that are customarily performed, shall not relieve the Contractor from performing such omitted or misdescribed details of the work. The Contractor shall perform such details as if fully and correctly set forth and described in the drawings and specifications.

(e) The work shall conform to the specifications and the contract drawings identified on the following index of drawings:
