

Questions and Answers

1. Is it acceptable to use CPAR's review to satisfy the past performance requirements?

USFWS Response

We will accept the use of CPARS

2. Is it acceptable to use previously completed PPQ's to satisfy the past performance requirements?

USFWS Response

We will accept previously completed past performance questionnaires.

3. Do the projects used for past experience and past performance have to be the same projects?

USFWS Response

The projects do not have to be the same.

4. I wanted to see if there is a mandatory pre-proposal site visit for this project

USFWS Response

Please refer the solicitation document, specifically section:

L.7 52.236-27 – SITE VISIT (CONSTRUCTION) (TAILORED) (FEB 1995)
