

Questions and Answers

1. Is it acceptable to use CPAR's review to satisfy the past performance requirements?

**USFWS Response**

We will accept the use of CPARS

2. Is it acceptable to use previously completed PPQ's to satisfy the past performance requirements?

**USFWS Response**

We will accept previously completed past performance questionnaires.

3. Do the projects used for past experience and past performance have to be the same projects?

**USFWS Response**

The projects do not have to be the same.

4. I wanted to see if there is a mandatory pre-proposal site visit for this project

**USFWS Response**

Please refer the solicitation document, specifically section:

L.7 52.236-27 – SITE VISIT (CONSTRUCTION) (TAILORED) (FEB 1995)

We are mandating that site for all offerors interested in responding to this solicitation.
